

## COMMUNITY MOBILIZERS PROJECT

### IN COLLABORATION WITH YARDI SOFTWARE INDIA PRIVATE LIMITED

#### INTRODUCTION

'Engagement of Community Mobilisers for Urban Community Development for YSIPL' will be a joint venture of Yardi CSR and Karve Institute of Social Service, where an involvement of the local community mobilisers in the community development programmes of Yardi will be the major focus. Currently Yardi is working in three wards of Pune Municipal Corporation in more than 40 urban communities. The thrust areas of Yardi CSR are health, sanitation, education, vocational training and garbage segregation and composting. The Community mobilisers will be the key contact between the Yardi CSR team and local communities and will support Yardi team in need assessment, mobilization of people, planning the interventions, involving community members and key stakeholders in the planning and implementation of the programme and in process develop the local leadership and strengthen the CBOs which will take ahead the project and assume the responsibility when eventually Yardi phase out from the community.

#### OBJECTIVES

1. Appointment of the community mobilisers as per the requirement of the project in the project communities to facilitate community participation and ensure sustainability
2. Capacity building of the community mobilisers
3. Periodical review of the task performance and monitoring of the community mobilisers.
